7.9 MyPBX Terms & Conditions

1. In order to access the service, you will need a dedicated fixed line broadband Internet connection, such as ADSL 2+ you will also need an IP Phone and may need extra hardware depending on your set up e.g. router and switches. 2. We recommend that the Service be accessed with hardware supplied or approved by us, using a broadband ADSL or SHDSL service supplied by us to our specifications. The Service is designed to allow users to bring their own device, but we do not offer any guarantee or assurance that all devices will be compatible and function with the Service. 3. The broadband speed required for the Service will depend largely on your network demands. Data transmission demands on your network may cause the bandwidth available for voice transmission to be limited if voice and data share the same connection. 4. Extra charges will be incurred for freight for any hardware. 5. Minimum 10 DID numbers purchased in blocks of 10. 6. Porting is charged per end user site
